Grants matching your search for 2010-11 *Local Enforcement Agency Grants (EA21)*

Alameda County

Grantee: Alameda County

Amount Awarded: \$28,634.00

Grantee Contact: Mr Ron Browder

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety, and the environment with regard to solid waste facilities within our jurisdiction. The Alameda County Department of Solid & Medical Waste Management intends to use the FY 2010-2011 LEA grant funds to pay a portion of the salaries for individuals directly involved in carrying out the solid waste program in Alameda County.

Total Awarded for County:\$28,634.00

Alpine County

Grantee: Alpine County

Amount Awarded: \$15,549.00

Grantee Contact: Mr. Dennis Lampson

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of the Alpine County Local Enforcement Agency is to protect public health, safety and the environment with regard to solid waste facilities within our jurisdiction. The Alpine County LEA intends to use EA21 grant funds for LEA personnel (administrative and REHS salary) to perform LEA duties within our jurisdiction.

Total Awarded for County:\$15,549.00

Amador County

Grantee: Amador County

Amount Awarded: \$16,341.00

Grantee Contact: Mr. Michael W. Israel

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety and the environment with regard to solid waste facilities within Amador County. This grant provides supplemental funding to the County program for solid waste permitting and enforcement activities. All program activities are current mandates on the County to provide this level of service to the community in order that the public health and the environment are not adversely impacted by solid waste handling , storage or disposal practices. Amador County Environmental Health intends to use the FY 2010-2011 LEA Grant funds for a portion of the LEA staff salaries and office maintenance.

Total Awarded for County:\$16,341.00

Butte County

Grantee: Butte County

Amount Awarded: \$18,663.00

Grantee Contact: Mr. Michael Huerta

CalRecycle Grant manager: Linda McElroy

Project Summary: Solid waste permit fees and landfill tonnage fees have been established to fund monthly landfill inspections. Fees are not adequate to fund additional staff hours necessary to continue program improvements including investigation of illegal landfills, participation in LEA and CalRecycle coordination, activities, program uniformity, meeting participation, regulation review/comment activities. FY 2010-2011 LEA Enforcement Grant funds will be utilized to supplement fee revenue, fund general enforcement and related activities and to purchase all necessary program equipment. Performance objectives of the program are to: 1. Meet all routine and special facility inspections as required of landfills, transfer stations, compost sites, vehicles and closed sites. 2. Continue and enhance the illegal activity enforcement program. 3. Continue active participation in LEA and CalRecycle activities as a means to improve uniformity and communications. 4. Provide enhanced cross training of personnel to increase the availability of staff familiar with the program and to accept assigned duties .

Total Awarded for County:\$18,663.00

Calaveras County

Grantee: Calaveras County

Amount Awarded: \$19,099.00

Grantee Contact: Mr. Paul Feriani

CalRecycle Grant manager: Linda McElroy

Project Summary: The LEA's goal is to regulate the proper storage, collection and disposal of residential, commercial and industrial solid waste. This is mainly accomplished through education, inspections and enforcement actives. The LEA Enforcement Assistant Grant will be used for training and to purchase/maintain equipment that supports the solid waste permit and inspection program. The grant funds are very much appreciated in this rural County.

Total Awarded for County:\$19,099.00

Colusa County

Grantee: Colusa County

Amount Awarded: \$16,231.00

Grantee Contact: Mr. Craig Erickson

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety and the environment through the permitting, inspection and enforcement of solid waste laws and regulations at solid waste facilities within the county. Colusa County Environmental Health, as LEA, intends to utilize the approximate sum of \$16,183.00 from Grant EA-21 to supplement the salary of the LEA staff position.

Total Awarded for County:\$16,231.00

Contra Costa County

Grantee: City of Pittsburg

Amount Awarded: \$15,974.00

Grantee Contact: Ms. Laura L. Wright

CalRecycle Grant manager: Linda McElroy

Project Summary: The Pittsburg LEA will use the funds for inspection vehicle expenses. The Funds will be used to continue programs, education and outreach to residents on materials that cannot be disposed of in a landfill/transfer station such as sharps, mercury and other HHW materials. The funds will also support computers, software, electronics and other monitoring equipment.

Grantee: Contra Costa County

Amount Awarded: \$25,017.00

Grantee Contact: Joseph Doser

CalRecycle Grant manager: Linda McElroy

Project Summary: Contra Costa Environmental Health as the LEA is responsible for protecting public health, safety and the environment with regard to solid waste facilities within our jurisdiction. Contra Costa Environmental Health intends to use the LEA21 Grant funds on personnel for FY2010-11. The personnel are the Environmental Health Specialists assigned to the LEA program. Any interest earned will be used for personnel expenses.

Total Awarded for County:\$40,991.00

Del Norte County

Grantee: Del Norte County

Amount Awarded: \$15,741.00

Grantee Contact: Mr. Brian McNally

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of Del Norte County Department of Health and Human Services is to promote the health of Del Norte County's community by: Continuing development and implementation of a comprehensive solid waste program for effective, reliable and economic handling of solid waste for Del Norte County without adversely affecting community safety by damaging the environment of our natural resources.

Promote public education and awareness of issues related to source reduction, re-use, recycling and composting. Funding for FY 2010-2011 will be used for personnel costs, minor equipment repairs, travel and education related to solid waste facilities permit and inspection activities .

Total Awarded for County:\$15,741.00

El Dorado County

Grantee: El Dorado County

Amount Awarded: \$18,388.00

Grantee Contact: Michael Deatherage

CalRecycle Grant manager: Linda McElroy

Project Summary: the goal of our solid waste program is to protect Public Health, Safety and the environment with regard to solid waste facilities within our jurisdiction.

El Dorado County intends to use FY2010/11 Local Enforcement Agency grant monies to compensate Placer County for performance of solid waste permitting and enforcement activities within El Dorado County. This arrangement between the neighboring counties is sought to affect cost efficiency.

Total Awarded for County:\$18,388.00

Fresno County

Grantee: Fresno County

Amount Awarded: \$28,975.00

Grantee Contact: Mr. Tim L. Casagrande

CalRecycle Grant manager: Linda McElroy

Project Summary: Goals and Objectives:

The goal of the solid waste program is to promote compliance with state and local regulations as it pertains to the collection, handling, storage and disposal of residential, commercial and industrial waste in an effort to protect the air, water, and land from pollution and to ensure public health and safety.

Fund Allocation:

the Fresno County Department of Public Health, environmental Health Division, proposes to utilize the FY 2010-11 enforcement Grant Funds for staffing needs associated with implementation of the County's enforcement Program Plan. Remaining grant funds will be allocated towards training to maintain program certification and for professional and specialized services. interest earned will be utilized to offset personnel costs.

Total Awarded for County:\$28,975.00

Glenn County

Grantee: Glenn County

Amount Awarded: \$15,740.00

Grantee Contact: Mr. Kevin Backus

CalRecycle Grant manager: Linda McElroy

Project Summary: The enforcement assistance grant will be utilized to directly support the Glenn County Local Enforcement Agency in inspecting and monitoring the Glenn County Landfill, two composting operations, closed sites and other solid waste activities. The grant funds will be maintained in a separate account within the Glenn County Health Services Department budget, as required in the Enforcement Assistance Grants Program Financial Control Mechanisms document. Expenditures will be divided between equipment, training, professional and consulting services and LEA staff salaries.

Total Awarded for County:\$15,740.00

Humboldt County

Grantee: Humboldt County

Amount Awarded: \$19,148.00

Grantee Contact: Mr. Michael Peter Esko

CalRecycle Grant manager: Linda McElroy

Project Summary: This certified LEA oversees 68 active solid waste sites (operations, facilities, closed municipal solid waste landfills and burn dumps) and numerous nuisance dump sites. We educate private citizens and businesses, respond to their requests as well as various agency requests for service. Other funding for the LEA Program is derived from a portion of the local solid waste tipping fee (currently \$2.66 per ton), solid waste operation/facility inspection fees and project review fees (\$141.00 per hour). We will use the EA 21 grant funds to augment our program revenue to provide staff salaries and staff training.

Total Awarded for County:\$19,148.00

Imperial County

Grantee: Imperial County

Amount Awarded: \$21,627.00

Grantee Contact: Mr. Lars Seifert

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety, and the environment by ensuring that solid wastes are properly managed within Imperial County.

The LEA intends to utilize the 2010/2011 Enforcement Assistance Grant funds for staff training, supplies, and technical equipment to support LEA personnel in the performance of their permitting, inspection, and enforcement duties at solid waste facilities within our jurisdiction. Funds may also be allocated to support illegal dumping code enforcement activities to be managed by the imperial County LEA and for the maintenance and replacement of vehicles assigned to LEA staff. Any remaining funds or interest earned will be used for salary offsets.

Total Awarded for County:\$21,627.00

Inyo County

Grantee: Inyo County

Amount Awarded: \$17,827.00

Grantee Contact: Mr. Marvin Moskowitz

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of the solid waste program is to protect health, safety and the environment with regard to solid waste facilities within our jurisdiction .

Inyo County Environmental Health Services Department intends to use FY 2010-2011 LEA grant funds to help us offset the salary costs related to enforcement of the solid waste program. Our LEA program manager, Andrew Kirk, and myself, are the two salaries to be targeted with grant funds. The cost of the LEA program is not fully supported by fees and this grant money alone, and County General fund money is utilized to make up the difference . Any interest earned will also be used to salaries.

Total Awarded for County:\$17,827.00

Kern County

Grantee: Kern County

Amount Awarded: \$33,062.00

Grantee Contact: Mr. William O'Rullian

CalRecycle Grant manager: Linda McElroy

Project Summary: Funding received through the Local Enforcement Agency grant program will be used to offset staff costs related to inspection, training, enforcement activities and over-site of the solid waste program.

The goal of the Environmental Health Division, as the Local Enforcement Agency , is to ensure that solid waste activities are operated in conformance with the regulations of the State of California, and that the protection of public health, safety and the environment is held as the highest priority.

Total Awarded for County:\$33,062.00

Kings County

Grantee: Kings County

Amount Awarded: \$19,838.00

Grantee Contact: Jeff Taber

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety, and the environment with regard to solid waste facilities within our jurisdiction.

The LEA grant funds and any interest earned would be used towards improving our solid waste enforcement program. Those expenses would include training for enforcement staff (including travel within the state), the purchase of equipment and materials used for inspections and salaries and benefits for environmental health personnel to handle expected workload in FY 2010-2011 from anticipated applications for new or revised solid waste facility permits, inspections and other activities in the solid waste enforcement program.

Total Awarded for County:\$19,838.00

Lake County

Grantee: Lake County

Amount Awarded: \$17,599.00

Grantee Contact: Mr. Raymond Ruminski

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of Lake County`s Solid Waste Enforcement program is to protect public health, safety and that of the environment with regard to solid waste facilities in our jurisdiction. The Environmental Health Division intends to use the FY2010/11 LEA Enforcement Agency Grant EA21 funds to pay personnel expenses (wages and salaries) for Environmental Health staff working in the LEA program.

Total Awarded for County:\$17,599.00

Lassen County

Grantee: Lassen County

Amount Awarded: \$17,405.00

Grantee Contact: Kevin Mannel

CalRecycle Grant manager: Linda McElroy

Project Summary: LEA funds will be used for the following activities:

1. Support enhancement of the LEA solid waste landfill permit and inspection programs, and related staff costs.
2. Postage, copies, communications and other miscellaneous office expenses associated with LEA functions in solid waste.
3. Expenses associated with computer and audio/visual equipment to be used to support LEA activities in solid waste.
4. Travel expenses associated with LEA EHS mandated training and meeting requirements.

Total Awarded for County:\$17,405.00

Los Angeles County

Grantee: City of Los Angeles

Amount Awarded: \$58,311.00

Grantee Contact: Mr. Andy Kao

CalRecycle Grant manager: Linda McElroy

Project Summary: The City of Los Angeles Local Enforcement Agency (LEA) received its initial certification in March 1992. Since then it has been this our goal to insure that `all solid waste facilities are properly established, operated and managed in a manner that adequately protects the public health and the environment and maximizes the safety of the workers, `.... to pursue a policy of regulatory compliance....`

The LEA is applying for the 20109-2011 Landfill Enforcement Grant to further assist our program in reinforcing its goal and achieve efficiency. The LEA would like to use part of the grant for a consultant contract, which is primarily utilized for engineering review of Reports of Facility Information, closure plans, and other technical documents. The LEA would like to use the remainder for staff attendance of conferences and associated travel, office supplies, professional certification and membership fees, and field equipment and its maintenance.

Thank you for assisting us in this application package and we look forward to working with you in the future. Your staff has been most helpful. If you have any questions, please call me at 213-978-3068.

Grantee: City of Vernon

Amount Awarded: \$15,542.00

Grantee Contact: Mr. Leonard Grossberg

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to maintain a strong public health & safety program and to protect the environment with regard to solid waste facilities within our jurisdiction.

The City of Vernon`s Health Department intends to use the FY2010-11 LEA Grant -21 funds to purchase safety equipment, monitoring tools, telecommunications air-time and accessories for mobile telephones, computer hardware and software, office supplies, provide vehicle maintenance and upkeep, and allow us to attend training and conference to help fulfill our LEA responsibilities.

Grantee: City of West Covina

Amount Awarded: \$15,765.00

Grantee Contact: Barbara Briley

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect health, safety and the environment with regard to solid waste facilities in our jurisdiction, namely the BKK Landfill. The City of West Covina`s Waste Management Enforcement Agency intends to use FY 2010-2011 LEA Grant funds to supplement the Management Enforcement Agency intends to use FY 2009-2010 LEA Grant funds to supplement the funding of contractual waste management enforcement/inspection services, copy/ facsimile machine maintenance contract, membership dues, meetings, training, publications, office supplies, and applicable LEA Solid Waste Program vehicle maintenance. Grantee: Los Angeles County

Amount Awarded: \$81,570.00

Grantee Contact: Ms. Cindy Chen

CalRecycle Grant manager: Linda McElroy

Project Summary: The Local Enforcement Agency grant funds will be used to provide more outside training within the State on permitting and inspection. Funds to purchase Personal Protective Equipment, Supplies and Field Equipment for the inspectors, funds for Education Material, Membership Fees and Subscriptions on Title 14 and 27. Funds maybe used to hire outside consultation to deal with difficult issues.

Grantee: Sunshine Canyon Landfill

Amount Awarded: \$15,541.00

Grantee Contact: Mr. Andy Kao

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety and the environment with regard to solid waste facilities within our jurisdiction.

The Sunshine Canyon Landfill Local Enforcement Agency intends to use FY 2010-2011 LEA grant funds for new safety and computer equipment, staff attendance of conferences and associated travel, office supplies, professional certification and membership fees, and field equipment and its maintenance.

Total Awarded for County:\$186,729.00

Madera County

Grantee: Madera County

Amount Awarded: \$18,199.00

Grantee Contact: Phil Hudecek

CalRecycle Grant manager: Linda McElroy

Project Summary: These solid waste grant funds will be used to support our Solid Waste Enforcement program staff members by acquiring necessary field equipment, personnel protective equipment, office equipment/supplies and to provide for the overall training of all LEA staff necessary in maintaining the appropriate expertise and qualifications to effectively continue administering this Counties enforcement program.

Total Awarded for County:\$18,199.00

Marin County

Grantee: Marin County

Amount Awarded: \$17,839.00

Grantee Contact: Rebecca Ng

CalRecycle Grant manager: Linda McElroy

Project Summary: The Marin County Environmental Health Services Division will use the FY 2010-2011 LEA Grant funds to carry out the program of the Local Enforcement Agency for Solid Waste (LEA). The LEA strives to protect public health and safety and the environment through the prevention of solid waste issues in Marin County. The LEA Grant funds will be used for consulting services; staff education and training; the purchase of equipment or materials; the maintenance of existing equipment; staffing; travel; and more as approved by CalRecycle. Any interest will be applied to one of the above categories.

Total Awarded for County:\$17,839.00

Mariposa County

Grantee: Mariposa County

Amount Awarded: \$16,206.00

Grantee Contact: Dr. Charles B. Mosher, M.D., MPH

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our Solid Waste Program is to protect public health, safety and the environment with regard to solid waste facilities within our jurisdiction.

Funds obtained from the grant program will be used to support the Local Enforcement Agency's (LEA) ability to inspect, permit and monitor the landfill and compost facility. These funds will be set up in a separate interest bearing account and appropriate records will be maintained. Any interest earned will be used to enhance approved budget categories. The Solid Waste Program in Mariposa County continues to benefit from enforcement training workshops/ seminars offered by CalRecycle and other worthwhile organizations. These training sessions assist in the standardization of LEA functions and provide opportunities to network with other jurisdictions. Additionally, the LEA Program will continue inspection of closed, illegal, and abandoned sites throughout the County.

Total Awarded for County:\$16,206.00

Mendocino County

Grantee: Mendocino County

Amount Awarded: \$18,318.00

Grantee Contact: Mr. Trey Strickland

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety, and the environment through permitting and inspecting solid waste, recycle, and compost facilities within our jurisdiction. Mendocino County's Environmental Health Division intends to use FY 2010-2011 LEA Grant funds to support the funding of one LEA staff position.

Total Awarded for County:\$18,318.00

Merced County

Grantee: Merced County

Amount Awarded: \$19,447.00

Grantee Contact: Ms. Tammy Moss

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our Solid Waste Program is to protect public health, safety and the environment with regard to Solid Waste facilities within our jurisdiction. Merced County's Environmental Health Division intends to use FY 2010-11 LEA Grant funds for staff costs, attend annual conferences, purchase field equipment and for maintenance on vehicles assigned to the LEA Solid Waste program. Any interest earned will be used for training and education.

Total Awarded for County:\$19,447.00

Total Awarded for County:\$24,422.00

Santa Clara County

Grantee: City of San Jose

Amount Awarded: \$28,874.00

Grantee Contact: Mr. Dennis Ferrier

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste enforcement program is to protect public health, safety and the environment with regard the effects of solid waste facilities and illegal disposal of solid waste within the jurisdiction of the City of San Jose. The City of San Jose`s Department of Planning, Building and Code Enforcement, Code Enforcement Division, intends to use the EA21 LEA Assistance Grant Funds (FY 2010-2011) for the continued implementation of the Decade/Envision Connect inspection data management system, related computer equipment and services (wireless accounts), etc. In addition new safety equipment, LEA-staff medical monitoring, and for vehicle maintenance as well as staff training and education. Any interest earned will be used for supplies and office equipment for the LEA program . LEA grant expenditures, needs and focus may be altered during the term of this grant cycle, which may necessitate a reallocation of some of the grant funds. If this is necessary, the LEA supervisor will provide the proposed changes for Board staff review and authorization.

Grantee: Santa Clara County

Amount Awarded: \$25,108.00

Grantee Contact: Mr. Michael Balliet

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of the solid waste program is to protect public health, safety, and the environment with regard to proper safe storage, transport and disposal of solid waste within our jurisdiction. The County of Santa Clara Department of Environmental Health intends to use FY 2010/2011 LEA grant funds for activities directly related to implementation of the solid waste facilities permit and inspection programs as outlined in the procedures and requirement and application guidelines of this grant. This may include, but not be limited to, new safety and computer equipment, medical monitoring (annual check-up and tests for enforcement staff who perform inspections at solid waste facilities), personnel costs, and maintenance on vehicles assigned to the LEA Solid Waste Program.
